CONGRESS PASSES BILL GRANTING \$350,000 FOR FLOOD PREVENTION WORK

**Measure Through House in Fifteen Minutes and Then Rushed
Through Senate and Sent to President- Greatest Volume
of Water in History of Mississippi River Straining
at 200 Miles of Levees--Serious Breaks**

WASHINGTON, April 1.—The short 4-hour session of Congress today marked the beginning of a new chapter for strengthening levees and flood control in the Mississippi districts along the Mississippi and Missouri and Arkansas, and within 15 minutes after it was adjourned the House already passed a bill making \$300,000,000 available for that purpose.

The bill was rushed over to the Senate where it was passed and was sent to the president for his signature. The president sent his message of approval to the Senate. Senators Foster and Thornton, who were in charge of the bill, and a delegation in the house had already been working on the destruction being worked by the floods.

The informant said that he had been told by a friend that there was a man in the city who was a member of the Communist Party and that he was a very good person. He said that he had been told that the man was a very good person and that he was a very good person. He said that he had been told that the man was a very good person and that he was a very good person.

of the homeless. Sheltering the homeless has been given priority and the only two places made for them are the two churches. The homeless at Hickman are suffering from hunger, while trains, with food supplies, cannot be run into the city.

At Hickman, Ill., the Homeless Ark, composed of four flat cars, is being used as a temporary shelter for the homeless. The Ark is being used as a temporary shelter for the homeless. The Ark is being used as a temporary shelter for the homeless.

In the district between the River Kora and Helena Ark, an average further rise of two feet is expected. Heavy rains fell yesterday on the watershed.

As far south as New Orleans, preliminary work is being done. Governor Sanders of Louisiana issued special instructions to all state levee board members to press every available workman into immediate service, in strengthening the levees of that state.

While a small log was carried on the shoulders of a man to the church, she was brought to Hickman.

towns along the Spreco, which are pouring their flood into the Mississippi. As far away as Middleburg, Ky., the effect is felt. There, a large part of the city is under from one to three feet of water, and flooded mines in the district will keep hundreds of miners idle for days.

MEMPHIS AND VICINITY

FACE SERIOUS SITUATION

MEMPHIS, Tenn., April 2.—With the greatest volume of water in history running down the Mississippi River, the main locks of the waterway remained intact tonight, but private boaters are breaking, and whether the main levees, broken, rainsoaked, can withstand the two feet or more of water predicted is

Government engineers assure the levees are in better shape than during any previous flood. But it is pointed out by experienced flood men that a strain will be greater than ever before.

In the vicinity of Cairo, the two roadside levees broke today. These outlets have relieved to some extent the strain at Cairo and have given fresh hope to those floating to hold the water within the bounds of that city. At Bird Point a negro was drowned, the second fatality of the flood.

A mile of low-lying zone. The lowlands are flooded to a depth of four to five feet.

Leaves Probably Will Be Tapped.

In the Memphis district the White river flood is giving the greatest concern. This levee is below the standard size and in many places now. Tonight the water is near the crest of the embankment. It is estimated that it is about six-tenths of a foot higher. It shows a rise of one and a half of a foot since 5 o'clock this morning. The levees around Cairo and the Arkansas district are standing firm. Both the city and Bates levees are dry.

The government weather bureau is

reached it is probable the levee will be topped. Modoc, Ark., 30 miles south of Helena, sent in an alarming report of sloughing banks, and aid is being hurried to that point.

It is reported that all government boats along the river have been given authority to assist in taking out people and stock from flooded sections.

score or more industrial plants have been forced to suspend. The city's gas plant is surrounded by water. Train service has been demoralized. The Minots central is sending north-

and hergeads of farmers who in families are being brought into town from the neighboring country, which is all under water. The situation there

SOCIALISTS ARE SWEEPED OUT OF POWER AT THE POLLS IN MILWAUKEE

Nonpartisan Candidate for Mayor Wins Decisive Victory. Result Probably Forecasts Elimination National Political Parties From Municipal Elections in State—Democrats Carry Chicago and Kansas City.

MILWAUKEE, Wis., April 2.—Dr. G. A. Bading, nonpartisan candidate for mayor, today defeated Emil Seidel, the Socialist, by a vote of 43,117 to 39,200. Of the 33 aldermen elected today, 26 were nonpartisan and seven were Socialists.

The ballots not only swept from office the widely known Socialist administration, but installed a nonpartisan county board of supervisors and probably eliminated every national political party from participation in future municipal elections in the state of Wisconsin. For as a result of the nonpartisan victory, the state legislature at a special session soon to be convened, is expected to pass a distinctly nonpartisan city election statute. The Socialists defeated such a measure at the last session of the legislature but today's rout was said practically to have killed Socialist strength in the state general assembly.

With four Socialist holdover aldermen, the new city council will be composed of 26 nonpartisan aldermen and 11 Socialist aldermen.

The present council is composed of 26 Socialists and 14 nonpartisan members. The next council will be larger through a recent reorganization and the creation of two new wards in the city.

The widespread interest in the fight to oust the Socialist administration was indicated by the unusually heavy total vote of nearly 80,000. The highest previous total vote cast in a municipal election was 59,454, at the time Mayor Seidel was elected two years ago.

LOCAL ISSUES PREVAILED IN MOST COLORADO TOWNS

DENVER, April 2.—Municipal elections were held in many Colorado towns today. Local issues prevailed almost exclusively. Names of national parties not being used in many of the contests. In several of the towns the Socialists elected mayors.

The saloon was the issue at a few places. At Sheridan, Mrs. Lydia Gallagher was defeated for mayor by Charles Lawton after the women had put up a hard and picturesque battle to elect their candidate. They had produced themselves to close the pool-houses in their district. Evans voted to license saloons and elected E. W. Ballard mayor. At Rifle the people voted to return the saloons but elected A. Glover mayor on the "dry" ticket. E. V. Mann and H. G. Kosking polled a tie vote for mayor at Burlington. The defeated candidates have promised to contest in several towns, the women of Sheridan being among the number.

LICENSING OF SALOONS CUP OF NEBRASKA ISSUE

LINCOLN, Neb., April 2.—Licensing of saloons was the chief issue in the town and village elections of Nebraska today and while the changes were not marked, the advantage appears to be slightly with the wets. The most notable addition to the license side was Beatrice, where the campaign was rigorous. Back and forth for four years, but today's license victory was pronounced. Auburn is another of the larger towns to change from "dry" to "wet." Dorchester, which has not had a saloon for 20 years, today voted for license, by almost two-thirds.

The larger towns to vote license are Kearney, Grand Island, Nebraska City, Fremont, Plattsmouth, Fairbury, McCook, Columbus, Haverock and Creston. Towns of importance that remain no license are Holdrege, York, Alnworth, David City, University Place and Tecumseh.

Political lines were not drawn in the smaller towns, but in some of the larger municipalities straight tickets were in the field. Socialists made a showing at Fairbury, electing three out of five councilmen. There was a falling off in the Socialist vote in some towns.

LA FOLLETTE AND WILSON HEAD RESPECTIVE TICKETS IN WISCONSIN

Taft Forces Concede All But Three of Delegates to U. S. Senator

MILWAUKEE, Wis., April 2.—The United States Senator Robert M. La Follette of Wisconsin, according to the complete returns at hand tonight, defeated President Taft on the Republican ticket and Woodrow Wilson on the Democratic ticket in the state's first presidential preference primary, held today.

Although available returns were not complete, La Follette was reported to have won the vote of 1,407 to 275. Of Oshkosh and throughout Winnebago county La Follette defeated Taft two to one. Similar returns were received from Eau Claire, Appleton, La Crosse, Racine, Madison and a number of the other larger cities of the state.

Woodrow Wilson's lead on the Democratic ticket apparently equalled that of Senator La Follette on the Republican ticket.

Roosevelt's Name Not on Ballot

Colonel Theodore Roosevelt's name did not figure to any extent in the presidential primary as his supporters did not have his name printed on the ballot. Although Colonel Roosevelt's name was written on the ballots by some voters, returns from a majority of counties show no considerable vote for him. No other presidential candidate, in addition to those printed on the ballot, received any support.

State Senator John J. Blaine, chairman of the La Follette state committee, says that less than \$100 had been spent in each congressional district in Wisconsin in Senator La Follette's behalf. Mr. Blaine made the following statement:

"Reports at an early hour this morning from every district in the state indicate that Senator La Follette has carried the state by a large majority. It was four to one in his favor. Every La Follette delegate has been elected without doubt and considering the fact that there was no active campaigning, and the entire campaign was conducted on behalf of all delegates for La Follette at an expense of about \$1,000 throughout the state, outside of Milwaukee, the results are very significant."

BOSTON, April 2.—A rush of nomination papers of candidates for national convention delegates with notices of presidential preference for the primaries to be held on April 30 deluged the office of the secretary of state.

TO EXPLAIN SEED FUND PLAN AT RUSH SHORTLY

Many farmers from eastern El Paso county are calling daily at the Chamber of Commerce to learn definitely regarding the seed fund and the ways in which it is to be applied, and in order that active work may begin at once, arrangements have been made by Chairman John Lennon of the board of trustees to visit the eastern section of the county, meet the farmers, explain the plan and begin the detailed work of supplying feed and seed to those for whose benefit the fund is being raised.

Mr. Lennon will be accompanied by members of the board of county commissioners, and he expects to remain several days in the neighborhood of Rush in order that he may get the situation thoroughly in hand. Relief first will be given in the matter of feed, as it is necessary that the teams and other stock, which in a weakened condition as a result of the extremely hard winter, may be fed for some time before to be in condition for the plowing and other spring work. Arrangements also are being made to get the seed necessary. It has been decided definitely that no seed wheat will be furnished through the Chamber of Commerce seed fund. The seed will be largely confined to corn, potatoes, Mexican beans, milo maize, kaffir corn, cane, Spanish peanuts and millet.

The fund continues to grow, and very nearly two-thirds of the necessary amount is now pledged. Chairman Leonard E. Curtis of the finance committee is confident that the entire fund will be raised. The total amount now subscribed is as follows:

W. N. Ruggles	25
Major H. McAllister	25
Fred Daulton	10
Senator Arthur Cornforth	10
W. R. Reynolds	10
G. S. Tucker	10
Willie Fiedler	5

WM. LENNON IS ELECTED MAYOR SPRINGS LANDS

REPUBLICAN CANDIDATES WIN IN MANITOU

The entire Republican ticket won at the town election in Manitou today by carrying all the offices. William Lennon was elected mayor by a majority of 84 over D. D. Eschert, the Democratic candidate, and A. M. Walker, the Socialist candidate. E. Bruce and Frank M. Anderson were elected trustees, with Mike A. Gonia Walker, treasurer, and J. A. Seitz, city clerk.

The issue on which the election was fought was the recent bond proposition for an auditorium in Manitou to be under the control of the school authorities. The Republican candidates favored the issue.

The vote on each candidate follows: William Lennon, 228; D. D. Eschert, 234; J. A. Seitz, 241; A. M. Walker, 212; Mike Victoria Walker, 292; W. S. Gosh, 229; C. E. Brown, 311; Frank M. Anderson, 234; A. M. Walker, 324; E. F. Brandenburg, 230; W. G. Dronnan, 245; E. E. Weichard, 225.

The judges of election were: Precinct No. 1, W. E. Snidley, H. M. Ward and William Van Doran; precinct No. 2, W. D. Savin, C. E. Creighton and E. F. Kiehmuth.

HUSTED FARMER IS TAKEN IN CUSTODY

Burrell Arrested by Sheriff at Monument As Result of Feud Over Property

P. R. Burrell, the ranchman living near Husted, was arrested yesterday afternoon by Sheriff Birdsall at Monument, on a warrant issued in Justice Dunnington's court. P. R. Hahnenkrat, a neighbor of Burrell, is the complaining witness.

The two men have been having trouble for several months over the dividing line between their properties, and the possession of a house. Burrell bought six acres from Hahnenkrat more than a year ago, and a dispute arose over whether a house was included in the sale. Judge James Owen of the district court went to Husted Saturday and placed the stakes where, according to his decision, they belonged.

Later in the day Burrell returned home, saw the stakes and tore them from the ground. Hahnenkrat objected, and it is claimed that Burrell threatened Hahnenkrat's life, although the warrant charges him only with disturbance.

Burrell is held at the county jail and will be arraigned in Justice Dunnington's court tomorrow morning at 10 o'clock. It is understood that many Husted residents will be called here as witnesses. The prisoner may be charged with contempt of court for pulling up the stakes fixed by Judge Owen.

Burrell appeared very meek when approached by Sheriff Birdsall. He said that he had "just been visiting friends" at Monument since Sunday. He would make no statement in regard to the case.

ENGAGEMENT COLLEGE SENIORS IS ANNOUNCED

An engagement announcement of great interest is that of Miss Marion Terkes of Denver and William H. Johnston of Canon City, which was formally made public last Sunday during a dinner party at the Terkes home in Denver. Both young people are members of the class of 1912, Colorado college, and are prominently identified with college affairs.

Miss Terkes is member of the Contemporary club, and is a Phi Beta Kappa. Mr. Johnston is a Phi Gamma Delta, and is president of the class of 1912 and of the Apollonian club. He also is captain of the track team.

ATTACK PARCELS POST

Idaho and Texas Senators Declare Effort of Parcel Post System Would Be to Destroy Village Life

WASHINGTON, April 2.—The parcels post unexpectedly received a severe scoring in the senate today at the hands of Senators Bailey of Texas and Hayburn of Idaho. It occurred in connection with a request from Mr. Bailey in behalf of Senator Tillman for printing an argument in favor of the parcels post proposition.

Mr. Bailey said he did not favor the parcels post and that with parcel banks, parcel posts, and Postmaster General Hitchcock's proposed postal telegraph, the parcel post would become the most important institution in every community.

Senator Hayburn objected to the printing but subsequently withdrew his opposition as it was ordered. He said the effect of the parcels post would be to destroy the village or town life. "By and by we will vote by letter," he said, "and nobody will know anybody."

K.C. CONVENTION HERE NEXT AUGUST

U. S. Canada, Mexico and P. I. Are Expected in City

The 1912 annual convention of the International Council of Congresses will be held in Colorado Springs August 4-5. The convention will be the largest ever held in the city. At the meeting of the council in Washington, D. C., last November, it was unanimously agreed that the convention should be held here.

In the convention there will be accredited delegates representing every state in the union, and Mexico and the Philippine Islands, and more than 100 congresses are expected to attend. The meeting is being held at the Hotel Colorado, and the city is making every effort to make it a success.

For the last six years, Mr. Bailey, who is master of the council, has attended the annual convention, and during that time he has been in Colorado Springs as a meeting place for the council. To improve the city and secure the convention, this year it is through his personal influence with the directors that the convention was secured.

The council has accepted the invitation to hold its sessions at the Hotel Colorado, and the official headquarters will be at the Hotel Colorado. The city council will appoint a committee to make arrangements for the big meeting and everything possible will be done for the entertainment of the thousands who will attend.

Original Plans Changed.
In order to do away with the custom of subjecting the council, holding the convention to a heavy expense, the year's meeting was planned to be held in Cambridge Springs, Pa. 25 miles from any town. However, the hotel in which the convention was to meet was sold for school purposes, and the meeting place had to be changed.

The supreme officers of the order are as follows: James A. Flaherty, Philadelphia, supreme knight; Martin Camody, Grand Rapids, Mich., grand knight; William J. McGinley, New Haven, Conn., supreme secretary; Daniel J. Callahan, Washington, supreme treasurer; Joseph C. Pelloni, St. Paul, supreme physician; Thomas J. McLaughlin, Newark, N. J., supreme scribe; the Rev. R. J. McGinley, Methodist church, supreme chaplain.

Mr. Burrell, having been elected deputy, will be a delegate to the national convention. The officers of Colorado Springs council are as follows: M. H. Hurley, grand knight; J. W. Ferguson, deputy grand knight; N. W. Northway, recorder; R. E. Mims, treasurer; M. J. Griffin, financial secretary; the Rev. Edward Clark, chaplain.

PLAN TO CLOSE CHEYENNE AVENUE GAINS ADHERENTS

Plan No. 3 of the proposed new High school, completely closing Cheyenne avenue, and which was published in The Gazette last Saturday, is the logical one upon which to build the plan, according to citizens who have seen the drawings which are on display at the school board rooms in the DeGraff building.

Meeting of citizens interested was held in the rooms last night, and practically everyone there expressed himself in favor of closing Cheyenne avenue. This plan makes six buildings in the plant arranged around a quadrangle, which faces north. The other plan reduces the avenue to 50 feet in width, with the buildings arranged three on each triangle. Those who objected to closing Cheyenne avenue last night admitted that it would be better to keep traffic from passing through the grounds, and asked to have a foot path made where Cheyenne avenue now is.

It is thought that the entire school board favors the plan closing the avenue and devoting the entire block to school purposes. Scores of people have visited the school board rooms and the plans were not on exhibition, and much interest is being displayed in the proposed plan.

At the meeting last night Dean Parsons of Colorado college led the discussion on the plans submitted, and later the Chamber of Commerce committee on education discussed them. They will be on display for a few days longer, and everybody interested is invited to inspect them in the rooms in the DeGraff building.

MOTHERHOOD

The highest point of woman's happiness is reached only through motherhood, in the clasping of her child within her arms. Yet the mother-to-be is often fearful of nature's ordeal and shrinks from the suffering incident to its consummation. But for nature's ill and discomforts nature provides remedies, and in Mother's Friend is to be found a medicine of great value to every expectant mother. It is an emulsion for external application, composed of ingredients which act with beneficial and soothing effect on those portions of the system involved. It is intended to prepare the system for the crisis, and thus relieve, in great part, the suffering through which the mother usually passes. The regular use of Mother's Friend will repay any mother in the comfort it affords before, and the helpful restoration to health and strength it brings about after baby comes.

Motherhood

The highest point of woman's happiness is reached only through motherhood, in the clasping of her child within her arms. Yet the mother-to-be is often fearful of nature's ordeal and shrinks from the suffering incident to its consummation. But for nature's ill and discomforts nature provides remedies, and in Mother's Friend is to be found a medicine of great value to every expectant mother. It is an emulsion for external application, composed of ingredients which act with beneficial and soothing effect on those portions of the system involved. It is intended to prepare the system for the crisis, and thus relieve, in great part, the suffering through which the mother usually passes. The regular use of Mother's Friend will repay any mother in the comfort it affords before, and the helpful restoration to health and strength it brings about after baby comes.

Mother's Friend

It is for sale at drug stores. Write for our free book for expectant mothers which contains much valuable information, and many suggestions of a helpful nature.

THE RULING PASSION

AT THE MAJESTIC

It is always satisfying to know that when you are going to a show, even though it be but a picture show, that you are going to be entertained by what is best in that line, and the assurance is given when you attend the Majestic. You cannot not attend a single day, as the program is changed every day.

A short synopsis of one of the plays being shown follows:

Van Wert, an old physician, is discharged from the orchestra, where he has played for many years. He tries hard to secure another position, but his old age and infirmities against him. The savings exhausted, he is compelled to go to the orchestra of a law firm. His efforts are repulsed against the tragic music he is compelled to play, and finally, when the merry-making in the hall is at its height, in a big emotional scene, he tells his aged audience that he thinks of them, and leaves. The young piano player, sympathizing for the old man, follows him home and persuades him to come back. He falls in love with Van Wert's daughter, however, and when the father opposes their marriage, the young people elope. Time elapses, and the youth dies, leaving his wife with a little daughter. The years go by, and the young widow has a hard struggle for existence, and is finally obliged to take rooms in a poor tenement. The old man, again jealous, lives in the same building. The child hears the strains of the old man's violin, and, inheriting a love for music, she listens, transfixed by the suffering tones. She is discovered by Van Wert, who, without knowing her identity, teaches her music. Finding him faint with hunger, one day, the child calls her mother, and a happy reconciliation follows. Their joy is intensified by the receipt of a letter advising Van Wert that an opera he had submitted has been accepted, and that he will never again know the pain of poverty. Remember, there are three more in addition to this one, and we assure you, you will like them all. Then, there's the heat music, and the price is only 5 cents, any seat.

LISTENING TO THE VIOLIN

The following article, written by a well-known Colorado Springs violinist, is of value to all who would like to get the most of Mme. W. Weber's recital tonight:

While listening to Mme. Weber. "To be a good listener requires almost as much art as to be a good performer. To key oneself to a sympathetic mood—to be ready to respond to the message that is given out to put aside prejudice, and the desire to

TRAINS ON SCHEDULE

After washing out practically all the railroad bridges spanning it in southern Nebraska, the Platte river is returning to its normal state, and it is thought that the Rocky Mountain Limited, on the Rock Island, which left this city at 9:15 o'clock yesterday morning, will be able to get through to Omaha and Chicago at once. Omaha has been shut off from the rest of the country for several days by the big water.

All bridges on the Rock Island, Union Pacific and Burlington roads were either partially or completely washed out, and trains leaving this city for the last few days have been unable to get farther than South Bend, Neb. It is thought the danger is over now, and that all trains will go through on scheduled time.

DARROW CALLS ON HIS FRIENDS TO HELP HIM

LOS ANGELES, April 3.—Chicago friends of Clarence S. Darrow, indicted for jury bribing in the case of James R. McNamee, charged with having been asked by assistant in delaying expenses of his trial here, Mr. J. Earl Rogers, chief counsel for Darrow, made this statement today:

"Mr. Darrow authorizes me to say he is not 'broke' in the slang of the term. He regards the fight upon him—being certain of his innocence—as part of the war upon the cause to which he has devoted his life. His defense will be expensive because of the vast amount of money being used against him. On account of that fact and since he is attacked more because he represents something than because he has done anything, he has taken the position that he should be aided financially to make his defense. He has said as much to his friends in Chicago."

Colorado City DEPARTMENT

Miss Stella Thomas of Wild Horse is the guest of Mrs. Jesse Deaton 209 Lincoln avenue.

The ladies of the Order of the Elks will meet tomorrow afternoon at the home of Mrs. Mark Harrell on Jackson avenue.

Miss George Davis of Phoenix, Ariz., is the guest of Mrs. A. J. Miller, wife of the manager of the Los Angeles company.

Earl Larson, wanted by the police of Colorado Springs for alleged complicity in a robbery, was arrested here yesterday by Chief of Police Hawk.

John Thomas will leave this morning for Highwater camp, in the New Pine mining district in northern California. He will go for work of Road, Neb.

The funeral of Mrs. Newell will be held from the residence, 1524 Grant avenue, this afternoon at 2 o'clock. Friends are invited to attend. Interment will be in Michigan.

Dr. J. H. Willard, who returned recently from Los Angeles, where he was a professor in the California Medical college, has resumed his practice in Colorado City.

Colorado City camp No. 1641, M. W. A., will hold an open meeting Monday, April 16. An address on the rate question will be made by Attorney J. V. Sanford of Colorado Springs.

The gypsies camped in Colorado City are making preparations to leave for the southern part of the state this week. Five families have been making their home here for several months. Since the departure of these, Joe Adams, the members of a rival syndicate have been making Colorado City their headquarters.

The members of the G. A. R. are glad that the long missing post flag has been recovered. Comrade Keller, who has been leading the search for the flag, suddenly remembered that he left it under some chairs in W. C. T. U. hall, where it was found. The members of the G. A. R. advertised for the flag for several weeks.

The Colorado City chamber of commerce has written to the interstate commerce commission in an effort to secure a common point freight rate for Colorado City, and the promise of an investigation has been made by the commission. The business men of Colorado City feel that the success of the movement would mean much for the town.

The above statement was made by James E. Burns last night in answer to a question when he is going to open his new theater. While he admitted that he might make bookings for productions with a New York house, he emphatically denied that he was making arrangements for the opening.

"I do not intend to open the theater until it is complete in every detail," said Mr. Burns. "And if you want to know when that is," he added, "ask Daniels & Fisher in Denver. That is the company that has the contract to complete it—furnish the carpets and draperies. When it is completed I will commence thinking about the opening—not before."

CHIFFEE CREEK MINES - NEW YORK MARKET

Billy Tillman Signs to Meet Young Herrera

Bill Tulman, Colorado Springs pug, and Young Herrera, the Pueblo Mexican, will meet in the roped arena again to settle their differences. The two men have been matched for a 10-round tapping contest before the members of the Miners Athletic club at 8 o'clock, a week from tomorrow night. Tulman is 5-10, 160 lbs. in round weight, and 111 mark, at 110 lbs. The two men are getting in shape now for the coming match. Tulman's interests are being cared for by Tonying Ray, local physical culture exponent, who is giving to Tulman a week today to threeh-

Tillman and Herrera went eight rounds before a log crowd at Pueblo Washington's birthday. Although modeled as a side feature their match proved more exciting than the main event. While Johnson's referee called a draw, but Tillman, a huge number of the fans disagreed with him. The result has been that Tillman has been wanting to get another match with the Mexican so that he could settle the question for

Tillman is taking even greater care of himself that he did before his last match. He was working out in earnest every day at Rybak's gymnasium with two or three local men, including Billy King.

"There's not going to be a chance for a decision against me," Tillman said. "He's a good man but I'm a better one. I found this out when we went before. This time the outcome will be a decisive one."

TERRORS SCHEDULED TO MEET TIGERS TOMORROW

MEET TIGERS TOMORROW

The Tigers and Terrors will have a workout game at Washburn field tomorrow afternoon, beginning at 2:30 o'clock. The contest will be of the "exhibition" variety as a means of getting the two clubs in shape for the things that are before them. No admission will be charged.

The Terrors have been working strenuously to get out of shape, especially at stick work. The outfielders have been showing good form but the infielders have not had much of a chance to show what they are capable

The Terrors will line up tomorrow as follows: Fowler, pitcher; Evans, third base; Schneider, first base; Davis, left field; Bruce, catcher; Johns, shortstop; Jett, right field; Vaughn and Rogers, second base; Tillman, center field. Numerous others will be given a chance.

VOLLEY BALL CONTEST WON BY ARNETT'S TEAM

Captain Arnett's team won two out of three volley ball games from Captain Rugels' team in the Business Men's league at the Y. M. C. A. gymnasium

last night in exciting contest.

Friday evening at 8 o'clock the basketball team from the Boys club will play the Y. M. C. A. juniors. The teams met once before on the Boys club floor and the association fire was victorious. This probably will be the last basketball game of the season.

The schedule for Saturday night consists of two indoor baseball games—Bristol vs. Liller at 6:30 o'clock and Columbia vs. Washington at 7:30 o'clock—and a volleyball game.

**TIGERS TO PLAY FAST
FORT LOGAN BALL TEAM**

Coach Claude Rothgeb has arranged for a game Monday between the Tigers and the Soldiers of Fort Logan. The game will be played at Washburn field. The game scheduled with Sacred Heart college players of Denver has been postponed until May.

Davey Jones has shown so well and Hank Perry has shown so little, according to reports from the Tiger camp at Monroe, that Davey is expected of the regular berth and Hank must do bench duty.
